THE TRUTH ABOUT CPA:

A 1% surcharge on property tax bills could raise an estimated amount of \$600,000 for Salem, while homeowners pay an estimated amount of \$30 a year for an average home.

Any funds raised would be matched anywhere from 25-100% by the state. Salem residents pay into these matching funds regardless of whether we can access them by adopting CPA.

148 communities in Massachusetts have passed the CPA including Peabody and Gloucester.

Those who cannot afford the 1% surcharge on real estate taxes surcharge are exempt from paying. The first \$100,000 in real estate value is exempt for EVERYONE.

Exemption Examples:

\$78,240 or below for a family of 4 OR

\$68,460 for a senior-citizen household of 1

Paid for by the Salem Community Preservation Alliance.
